Chairperson, AI & Quantum Futures Alliance (AIQFA)

Organization Overview

The AI & Quantum Futures Alliance (AIQFA) is the world's preeminent umbrella organization uniting top experts in artificial intelligence and quantum computing under a shared commitment to robust ethics, visionary policies, and global collaboration. Through strategic partnerships, research funding, talent development, and policy advisement, AIQFA shapes the future of science and technology for the benefit of all.

Position Summary

AIQFA seeks a distinguished leader to serve as Chairperson. This pivotal role will guide the Alliance's strategic direction, convene our Global Council, and champion AIQFA's mission to harness AI and quantum technologies responsibly and inclusively.

Key Responsibilities

- Provide visionary leadership and governance oversight for AIQFA's Board and Committees.
- Steer the development of ethical frameworks and policy positions on emerging technologies.
- Cultivate and expand strategic partnerships with academia, industry, and governments.
- Advocate for AIQFA at international forums, conferences, and high-level meetings.
- Oversee the Alliance's major initiatives, including research grants, training programs, and deep-tech incubation.

Essential Qualifications

- Renowned track record in AI, quantum computing, or related technology fields.
- Proven senior leadership experience in global or intergovernmental organizations.

AI & Quantum Futures Alliance®

- Demonstrated commitment to ethical technology deployment and public-policy engagement.
- Exceptional strategic vision, diplomatic acumen, and consensus-building skills.
- Advanced degree (PhD preferred) or equivalent achievement in a relevant discipline.

Term & Location

- Three-year renewable term, with the possibility of extension.
- Based in Washington DC or hybrid or international travel as required.

Application Process

Interested candidates should submit the following by 31 May 2025 (23:59 IST):

1. A current CV highlighting relevant leadership and technical achievements.
2. A cover letter outlining your vision for AIQFA and strategic priorities.
3. Two professional references.
